PROFESSIONAL SUMMARY

Computer Engineering graduate with strong communication, technical, and problem-solving skills. Experienced in handling digital tools, technical documentation, teamwork, and customer-oriented tasks through academic projects and internship experience. Quick learner with adaptability to work in technical, administrative, customer service, and operational environments.

EDUCATION

Bachelor in Computer Engineering (GPA-3.03) 2019–2024

Purbanchal University School of Engineering, Biratnagar, Nepal

SKILLS

Technical Skills : MS Office, Google Workspace, HTML/CSS, JavaScript (Basic), Figma, Git/GitHub, Networking, Documentation

Professional Skills : Communication, Teamwork, Problem Solving, Time Management, Customer Service, Reporting

Soft Skills : Leadership, Critical Thinking, Adaptability, Quick Learning, Work Ethics

EXPERIENCE

UIUX Design Intern at FORA Technology | Remote (3 Months)

- Designed responsive UI screens and interactive prototypes using Figma for web and mobile platforms.
- Collaborated with developers to improve workflow efficiency and design consistency.
- Applied wireframing, user flow planning, and visual hierarchy principles during product design.

Academic Engineering Projects

- Participated in team-based engineering project work focusing on software development and documentation.
- Developed technical reporting, problem-solving, and teamwork skills through collaborative academic activities.

PROJECTS

Pick&Go – UIUX Case Study

UIUX Design | Figma

- Designed a complete e-commerce mobile experience including product browsing, booking, payments, and order tracking.
- Created admin dashboard interfaces for inventory and order management.
- Improved usability through intuitive navigation and responsive layouts.

Trek Booking Website Design

UIUX Design | Figma

- Designed Trek Booking Website Design in Figma with intuitive UI for easy booking.
- Developed responsive layouts for optimal user experience across devices.

CERTIFICATIONS

- [Figma Essential for UI/UX Design \(Udemy, 2024\)](#)
- [Technical Support Fundamentals \(Coursera, 2024\)](#)
